**To** SHARYN PARKER

Hi Sharyn:

A few things that I have done:

Currently serving as an appointment by Burien City Council to a two year term as a member of the Burien Airport Advisory Committee.

Board member of Quiet Skies Coalition

Served as an appointment by recommendation from Rep Tina Orwall to the UW Ultrafine Advisory Panel from 2017 to present on behalf of the City of Burien.

Served as an appointment by recommendation from Port Commissioner Fred Felleman to the Port of Seattle Energy and Sustainability Committee 2015-2016.

Co-authored Burien Resolution 375 along with Council Member Nancy Tosta passed in 2015.

Author of "Over My Head" 2011 an auto-biography of events that occurred during the third runway controversy.

Member of Aviation Justice, 2011-present

After release of the State of Washington (first ever) Greenhouse Gas Emission Inventory, I was invited by the Port Commission to review and provide a report on the climate change emissions at Sea-Tac Airport - 2007

Co-founder of US Citizens Aviation Watch, Inc. in 1998, a national umbrella organization concerned with the environmental impacts of aviation on US citizen health and welfare.

Partner and work with organizations throughout the US and elsewhere to share information, network and support both national and international efforts to raise awareness about the environmental impact of aviation including climate change.

Served as Administrative Director of the Regional Commission on Airport Affairs, an umbrella organization funded by the cities of Burien, Normandy Park, Des Moines, Federal Way, Tukwila from 1996-1997.

Twice elected President of Citizens Against Sea-Tac Expansion, a community grassroots organization with 3,000 members in 1995-1997.

Resolution #408 for BAC in 2019

at one time, member of Clean Air Network, a regional group of air quality experts & educators

Running Grant @ EPA
