TITLE Flight Plan Project. Materials distributed at the Flight Plan workshops for the Regional Council's Transportation Policy Board and Executive Board

DATE Jan 1993
Feb 1993

PHYS DESC 1v (binder)

CONTENTS Airport Documents binder number: **FP-1**

Documents group: Flight Plan

I. Workshop #1, Jan 14, 1993

1A. Flight Plan Decision Process (overheads),

1B. Working Paper No. 1 (Draft): Demand Management and System Management

1C. The Washington State Trade Picture (brochure), Air Washington

1D. Letter to Jim Street re: Port of Seattle Resolution 3125, from Port Commissioners Davis and Grant. Dec 12, 1992

Volume 1. Regional Commission on Airport Affairs (bound, filed separately)

II. Workshop #2, Jan 21, 1993

2A. Regional Airport System Alternatives (overheads).

2B. Working Paper No. 2 (Draft): Impact Abatement and Mitigation.

2C. Working paper No. 3 (Draft): Implementation.

2D. Demand Management: Summary of Key Points (one page). Puget Sound Air Transportation Committee. Aug 15, 1991

2E. Review of Flight Plan Demand and Capacity Analysis. Richard de Neufville for the Washington State Air Transportation Commission.

Oct 31, 1992

2F. Report on Workshop #1.

- RCAA list of speakers. Jan 14, 1993

- Noise and Critical Variables Related to Education. Bob Rayborn, Ph.D. May 5, 1992

Volume II. Regional Commission on Airport Affairs (bound, filed separately)

III. Workshop #3, Jan 28, 1993

3A. Survey on Delay and on Construction Costs (overheads). Apogee Research, Inc.

3B. Judy Runstad. Letter on High Speed Ground Transportation. Jan 27, 1993

3C. Membership List. Air Washington

3D. Comments from Peter Eglick, Attorney for Save our Communities, with attached resolutions from communities and school districts, and Paine Field Role Designation

3E. Paine Field Facts. Save Our Communities.

3F. Report on Workshop #2.

Volume III. Regional Commission on Airport Affairs (bound, filed separately)

IV. Workshop # 4, Feb 4, 1993

4A. Application of Dynamic Strategic Planning Process (overheads).

Apogee Research, Inc.
4B. Summary of Appeal Decision on the Flight Plan Final Environmental Impact Statement. Hearing Examiner. Feb 1, 1993
4C. Letter from Colonel Ingersoll, McChord Air Force Base. Feb 1, 1993
4D. Workshop Questions (questions and responses available). Feb 12, 1993
4E. Flight Track Sample at Sea-Tac Airport (one page). Port of Seattle
4F. Regional Commission on Airport Affairs. Articles: Airport Noise Report and various newspaper clippings.
4G. System Evaluation and Selection (overheads). Frank Osburn. Feb 1993
4H. Paine Field Facts. Save Our Communities
4I. Presentation and Questions. Peter Townsend
4J. Report on Workshop #3, Report on Workshop #4.

Documents group: Flight Plan
I. Puget Sound Air Transportation Committee: Flight Plan Final Recommendation, Jun 25, 1992

II. Flight Plan Project Final Environmental Impact Statement (EIS)

- Notice of Programmatic FEIS Issuance and Availability
- Letter of Distribution, Oct 6, 1993
- News Release, Oct 6, 1993. Contains distribution list for FEIS
- Flight Plan Questions

III. Flight Plan Briefing/Workshop I, Jan 14, 1993

- Agenda
- Workshop Purpose and Procedures
- 1988 Regional Airport System Plan - Memo from Executive Director to Executive Board and Transportation Policy Board
- Report on Flight Plan Briefing/Workshop #1
- Attendance Roster

IV. Flight Plan Briefing/Workshop II, Jan 21, 1993

- Agenda (published before meeting)

- Agenda (used at meeting)
- Workshop Purpose and Procedures
- Regional Airport System Plan Alternatives
- Report on Flight Plan Workshop #2
- Attendance Roster

V. Flight Plan Workshop III, Jan 28, 1993

- Agenda
- Report on Flight Plan Workshop #3
- Attendance Roster

VI. Hearing on Adequacy of the Flight Plan Project Environmental Impact Statement, Feb 1, 1993

VII. Flight Plan Workshop IV, Feb 4, 1993

- Agenda
- Report on Flight Plan Workshop #4
- Attendance Roster

VIII. Open Houses, Feb 8, 10, 16, and 18, 1993

- Open House Schedule - Letter of invitation to General Assembly Members
- Summary Report

IX. Transportation Policy Board: Flight Plan Decision Meeting #1, Feb 25, 1993

- Agenda
- Implications of Demand Management, System Management, and Technological Advances. Apogee Research, Inc.
- Summary of Flight Plan Decision Meeting #1
- Attendance Roster

X. Transportation Policy Board: Flight Plan Decision Meeting #2, Mar 4, 1993

- Agenda
- Meeting the Region's Commercial Air Transportation Capacity Needs: Updated Areas of Agreement - through 2/25/93.
- Implications of Demand Management, System Management, and Technological Advances. Apogee Research, Inc. (This is a repeat of the memo included in the Feb 25, 1993 agenda. Tables 1 and 2 have been revised)
- Bruce Laing: Opening Remarks
- Correspondence:
 - U.S. Dept. of Transportation. Federal Aviation Administration, Seattle Division
 - Thurston Regional Planning Council
 - Regional Commission on Airport Affairs
 - Port of Seattle

CONTENTS Airport Documents binder number: FP-3
Documents group: Flight Plan
Volume 2 of 2
I. Public Hearing, Mar 24, 1993

- Memo to Interested Parties from Mary McCumber, Executive Director
- Flight Plan Public Hearing Packet
Draft Regional Airport System Plan Resolution as approved by the Transportation Policy Board, 3/4/93
Regional Airport System Planning and Decision Process
Flight Plan, the RTP, and the RASP

History of Flight Plan
Commercial Air Transportation and Airport Capacity
What Are the Regional Alternatives?
Economic and Environmental Overview
Key Concerns and Questions
PSRC Organization Chart
PSRC Flight Plan/RASP Decision Process

- Initial Summary: Regional Airport System Plan Hearing, Pacific Rim Resources
- Attendance Roster

II. Transportation Policy Board Flight Plan Recommendation Follow Up Session, Mar 25, 1993

- Agenda
- Summary of Transportation Policy Board Flight Plan Decision Meeting #2
- Summary of General Assembly Flight Plan Workshop
- Options for Implementing the Mar 4 Resolution. Apogee Research
- Proposed Memo of Understanding for the Implementation of the PSRC Resolution Amending the Regional Airport System Plan. Port of Seattle
- Resolution No. 1347 of the City Council of the City of Kent, relating to Regional Airport Alternatives
- Letter from Commission, Port of Seattle, to Jim Street regarding air capacity issues for region
- Resolution No. 93-4 of the Port of Bremerton Board of Commissioners supporting the incorporation of the Puget Sound Air Transportation Committee's multiple airport system recommendation into the PSRC's Regional Air System Plan
- Puget Sound Air Pollution Control Agency's Role in Airport Air Quality Related Matters
- Regional Council on Airport Affairs: documents regarding the Transportation Policy Board's resolution of Mar 4, 1993
- Resolution Implementation Issues and Options (3/25/93)
- Summary of Transportation Policy Board's Flight Plan Recommendation Follow-up Session
- Attendance Roster

III. Executive Board Flight Plan Decision Meeting #1, Apr 1, 1993

- Agenda
- Supporting Materials
 - General Assembly Workshop Packet with TPB Recommendation (Mar 11, 1993)
 - Questions and Responses from General Assembly Workshop (Mar 24, 1993)
 - Recommendations from the Puget Sound Air Transportation Committee (Jun 17, 1992)
 - List of Flight Plan Products
- General Assembly Flight Plan Resolution. Staff Draft for consideration by the Executive Board
- Additional Materials
 - Summary: Regional Airport System Plan Hearing
 - Summary of Transportation Policy Board's Flight Plan Recommendation Follow-up Session
 - Recent Flight Plan Correspondence
