

THREE DECADES OF LEADERSHIP ?

The three incumbents on the Des Moines City Council collectively boast more than 30 years of experience in providing leadership to our city. **What do we have to show for it?**

COUNCIL ACTION

- Nearly \$6 million of your tax dollars spent to fight the third runway
- Pacific Ridge Redevelopment Plan
- More restrictions on downtown zoning
- Marina funds transferred to the general account
- Cumulative effect of council actions

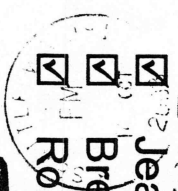

RESULT

- ☹ A third runway being built, and we get \$0.00 in Port mitigation money !
- ☹ No development on Pacific Highway, and crime has increased!
- ☹ No development downtown, and more space is vacant !
- ☹ No marina development, just neglected maintenance!
- ☹ No growth of the tax base; budget deficits affecting services to the citizens !

ITS TIME TO REBUILD OUR CITY!
