NEXT MEETING DATE

June 13, 2019 City Council Regular Meeting

ADJOURNMENT

WELCOME

- It's our pleasure to welcome our Aviation Consultants to the City.
- We have with us today James Allerdice, Chief Consultant for Terminal Operations at abcx2.com, Jason Schwartz, abcx2.com and Emily Tranter, Federal Relations Lockridge Grindal Nauen P.L.L.P.

CHALLENGES

- Our City, because of our proximity to SeaTac International Airport, faces significant impacts from aircraft operations.
- These Include:
 - Noise
 - Health
 - Traffic Congestion
 - Sleep Disruption
 - Fuel Emissions
- And Others

- Our consultants are here today to help us better understand how we can respond to these situations, including:
 - The development by the airport of the Sustainable Airport Master Plan (SAMP).
 - Strategies we can develop to successfully mitigate and minimize impacts from the airport on our City and Residents.

ACTIONS

- Des Moines is involved in a number of activities to achieve relief from these impacts.
- These include:
 - Ultrafine Particle Study.
 - StART Committee:
 - Noise Subcommittee.
 - Federal Legislation Subcommittee.
 - Convened a City Aviation Advisory Committee.
 - Active in supporting Representative Orwall and Senator Keiser in establishing a Siting Committee for a second regional airport in Washington State:
 - Washington House of Representatives voted 96-0 in support.
 - The State Senate voted 48-0 in support.
 - Participation in the SeaTac Baseline Impact Study (Budget Proviso).

SAMP

- In response to the development of the SAMP the City has partnered with Sea-Tac, Burien and Normandy Park to contract with our Aviation Consultants to participate in the scoping (environmental process).
- Environmental review process.
- Quick Update from our SEPA Official on some irregularities in the SAMP process.
