12	On April 22, 2002, the Board entered an	Order Publishing Certain Portions of
13	Depositions of Department of Ecology Manage	rs and CR 30(b)(6) Designated Witnesses.
14	Attached to that Order was a copy of each of the	e depositions clearly showing those portions that
15	were not admitted. The Order clearly stated that	t should a discrepancy exist between the lists
16	contained in the Order and the attached copy of	the marked depositions, the attached marked
17	depositions prevail.	
18	On May 22, 2002, Appellant ACC filed	a motion for correction, clarification, and/or
19	partial reconsideration of the earlier Order publishing certain depositions. Kaleen Cottingham	
20	presided for the Board on this procedural matter. After reviewing the motion, responses and	
21	reply submitted by the parties, the Board enters	the following order:
