POLLUTION CONTROL HEARINGS BOARD
FOR THE STATE OF WASHINGTON

AIRPORT COMMUNITIES COALITION,

Appellant,

No. PCHB 01-160

v.

RESPONDENT PORT OF SEATTLE'S
LIST OF WITNESSES AND EXHIBITS

DEPARTMENT OF ECOLOGY and
THE PORT OF SEATTLE,

Respondents.

Pursuant to the Board's Prehearing Order, respondent Port of Seattle identifies the following list of witnesses that it may call and exhibits that it may introduce at the hearing on the merits.

I. WITNESSES

Respondent Port of Seattle ("Port") submits the following list of potential witnesses who may be called at the hearing in this matter:

1. Paul Agid
Port of Seattle
Aviation Project Management Group
17900 International Blvd., Suite 301
SeaTac, WA 98188
2. James C. Kelley, Ph.D.
Parametrix, Inc.
5808 Lake Washington Blvd. NE, Suite 200
Kirkland, WA 98033-7350
3. William Stubblefield
ENSR Toxicology
4303 West LaPorte Avenue
Ft. Collins, CO 80521

In addition, the Port reserves the right to call any witness presented at the hearing by appellant Airport Communities Coalition or by respondent Department of Ecology. The Port also reserves the right to call additional witnesses necessary to rebut evidence introduced by ACC at the hearing on the merits in its case in chief.

II. EXHIBITS

The Port designates the following documents as potential exhibits that may be introduced as exhibits at the hearing in this matter in the Port's case in chief. In addition to the documents listed below, the Port also designates all documents designated either by the Airport Communities Coalition or by respondent Department of Ecology. The Port reserves the right to designate additional exhibits in order to rebut issues and evidence raised by ACC or for the purpose of impeachment of ACC's witnesses, or to rebut opinions and testimony of which the Port has not been informed to date through this proceeding or through discovery. Finally, the Port may use

1 demonstrative exhibits to illustrate witness' testimony and will produce copies of any demonstratives
2 to counsel for both ACC and Ecology as soon as is practicable after those exhibits have been
3 prepared.
