POLLUTION CONTROL HEARINGS BOARD  
FOR THE STATE OF WASHINGTON

AIRPORT COMMUNITIES COALITION,

Appellant,

No. 01-160

v.

MOTION TO SHORTEN  
TIME

DEPARTMENT OF ECOLOGY AND  
THE PORT OF SEATTLE,

Respondents.

Respondent Port of Seattle respectfully requests the Pollution Control Hearings Board shorten time so that the Board may consider of Port of Seattle's Motion to Strike Overlength Brief prior to the October 15, 2001 hearing on appellant's motion for stay.

Ordinarily, motions before the Pollution Control Hearings Board must be filed ten days prior to consideration by the Board. On October 8, 2001, appellant Airport Communities Coalition filed an overlength response memorandum in direct violation of the Board's prior orders, and the parties' agreement, in this matter. The Port has moved to strike the overlength portions of ACC's reply memorandum. If the motion to strike were heard on the Board's regular schedule, the board will not reach the merits of the motion to strike until after the hearing has already taken place.

Therefore, the Port of Seattle respectfully requests that the Board shorten time in which to hear the accompanying Port of Seattle's Motion to Strike Overlength Brief.
