- resolve conflicts bet. wildlife hazard plan + mitigation plan. sideboards need to be defined.
- Need statement from FAA on conflict with circular.
 - Does it meet the reqs. of the circular?
- Need to define what constitutes an emergency.

Easements - 5 @ Auburn

- Restrictive covenant language.

- Prof is tweaking model to account for 100% loss in groundwater volumes?

- Spill with drawing GW from hidden aquifer, + recharging in winter?

- 1954 as baseline condition?

There are no direct impacts.

- 509 temp access: Corps makes 1^o call.

Public notice did not address DOE + other projects with potentially + cumulatively sig impacts.
