This is absurd detail for what is needed. I hope that you are responding accordingly. I know, you're just doing what I asked. p

>>> Ken Ludwa 03/01/01 03:59PM >>>

clearing limits for the proposed work

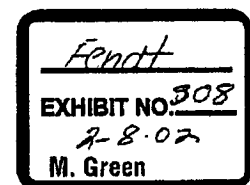

tributary area for each of the proposed ESC facilities

pump sizes

power supply for pumps (assumed diesel)

TESC spill prevention, countermeasures, containment, and cleanup plan

how long will "temporary" facilities be in place

AR 020474
