RE: *ACC and CASE v. Port of Seattle and Department of Ecology*
PCHB No. 01-160

Dear Kevin:

Enclosed please find two spreadsheets listing the reference documents relied on by John Strunk in the formulation of his opinions. The materials on the first spreadsheet were previously provided to the Department of Ecology, so we are not providing copies along with this letter. The materials on the second spreadsheet, which have not been provided to Ecology, will be delivered to you today, along with a disc containing data used by John Strunk in connection with his opinions.

Sincerely,

Gillis E. Reavis
