Spill containment / oil management

NEPL - ~~has~~ has vehicular use
P.22 Operations plan

- gravity ~~oil~~ oil water separator?
- spill containment upstream of vault?
- IF they don't use NEPL + cargo - may not have enough volume.

Water Quality issues.
Will have comments.

Impact #5 - problems w/ documentation

- 7/23 - report has the right number
At this point Kelly doesn't think the impact #5 will change.
