Comments: Map showing locations of proposed wells for  
measuring groundwater levels at STIA. call w/ comments.  
I will also try and send an image file of this as  
an email attachment

# PROPOSED GROUNDWATER LEVEL MONITORING WELL NETWORK STIA Groundwater Study

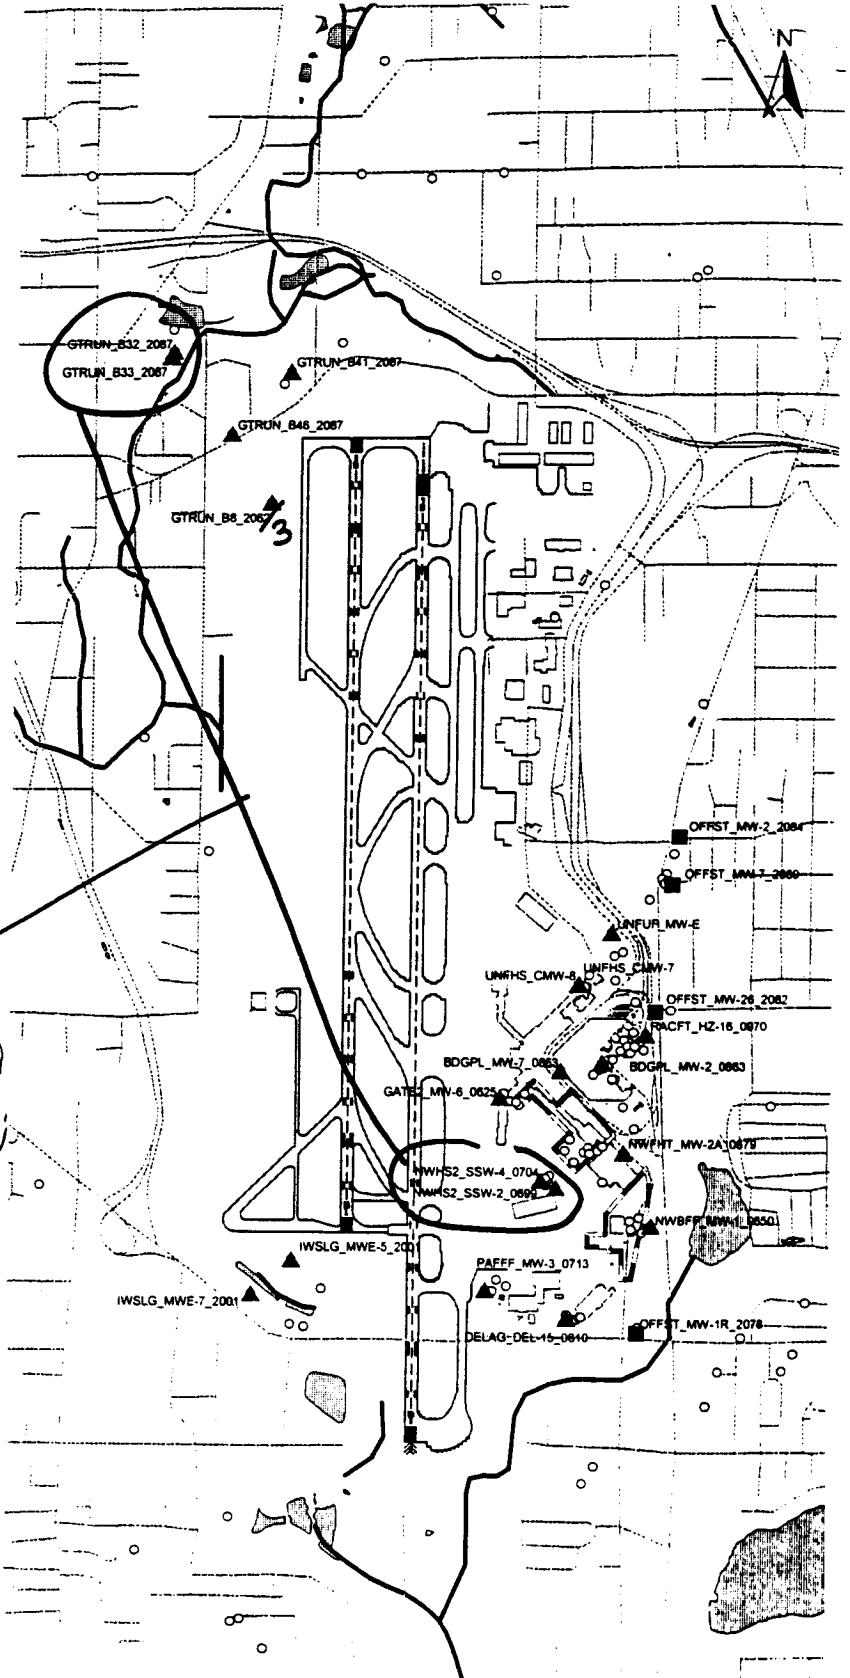

Proposed GWL Monitoring Well Network @ Sept. '99

- ▲ On-site locations
- Potential Off-site locations
- Locations Screened in C1 Aquifer @ Sept. '99
- STEP Project Extent
- ▤ extent
- ▤ Streets (All, County)
- ▤ Streams (All)
- ▤ STIA Structures
- ▤ Runways & Taxiways
- ▤ Runway paint
- ▤ Water Bodies (SeaTac)

JSS called Roper-Nye to review the proposed layout of the Qua monitoring well network. Nye will not get access to offsite wells

Roper-Nye agrees that only have to monitor 1 well at these locations?
