WSDOT Surplus Property IC. #1-17-07992

The property shown in red on the attached map has been declared surplus to the needs of the Washington State Department of Transportation and is being transferred for its market value to the Port of Seattle.

In compliance with RCW 47.12.055 and RCW 43.17.400, this letter provides the required 60-day notice of the disposition of this property.

If you are interested in receiving additional information regarding this surplus, please reply in writing to the undersigned at the address below.

If you have no interest in this property, WSDOT would appreciate a written response (e-mail or letter) stating that you waive the 60-day waiting period. This will allow the WSDOT to move forward with the transfer of the property without delay.

Sincerely,

*Sharon Caudill*
