DECLARATION OF LAWRENCE
CORVARI SUPPORTING PLAINTIFF'S
PETITION FOR A WRIT OF REVIEW

I, Lawrence Corvari, declare as follows:

1. I declare the following to be true under penalty of perjury under the laws of the State of Washington. I declare the following from personal knowledge and am competent to testify thereto in court if necessary.

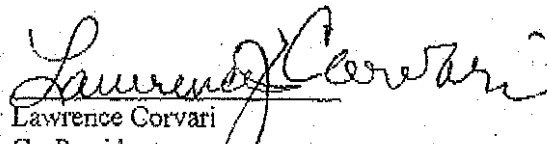

2. I am a member of plaintiff Citizens Against Seatac Expansion, ("CASE"), an organization which, among other things, protects the local environment and communities from the impacts of Seatac Airport. I am also the Co-President of CASE.

3. In order to protect the interests of the organization and its members, CASE has directed its attorneys to appeal the Port of Seattle's SEPA Determination of Non-Significance (DNS) concerning the Auburn Mitigation Project. The interests sought to be protected through this appeal are germane to CASE's purposes of protecting the local environment and making sure the Port of Seattle obeys the law.

4. The Port's decision to go ahead with the mitigation plan -- and its failure to comply with SEPA -- injures CASE and its members, as well as the environment of the Miller Creek Basin.

Declared under penalty of perjury in Normandy Park, Washington on this 2nd day of October, 1998.
