P.O. BOX 68727 / SEATTLE, WASHINGTON 98188

December 29, 1981

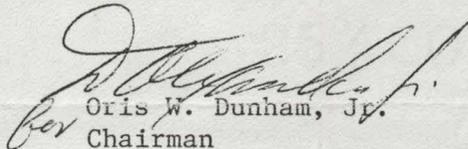

To: Policy Advisory Committee Members

The Policy Advisory Committee meeting, scheduled for January 13, 1982 in Sea-Tac's auditorium, has been changed to January 14, 1982 at 2:00 p.m. in the auditorium. Due to a conflict, it was necessary to change the meeting day.

As stated in the previous letter dated November 17, 1981, the primary purpose of the meeting is the Noise Exposure Update, however, several other items have been suggested for inclusion in the agenda. The final agenda will be mailed the first week of 1982.

Please plan to attend this meeting.

Sincerely,

  
Oris W. Dunham, Jr.  
Chairman
